

NT365

Dream City Omaha exists to help all people discover Christ, recover identity, and uncover purpose. In this mission, no tool is as beneficial or crucial as God's written word.

Join us this year as we read the entirety of the New Testament in one year, creating a firm foundation of the gospels, records, and lessons of the early church.

The plan is simple: read a chapter daily, five days a week, and use the weekends to catch up if needed. New from our previous reading plans, however, includes weekly scripture memorization. With two verses per week, we will memorize the entirety of the Sermon on the Mount over the course of 2024.

But, similar to our plan in 2022, you will not be reading alone. Through social media, we will continue to encourage, challenge, and discuss what we learn as we study the Bible together.

God bless,
John Weasel
Lead Pastor
